## St Georges Day Dinner

Join us on Tuesday 23rd April, 7 for 7.30pm at the Masonic Hall, Windmill St.

## Open to Non Members

Help us to celebrate with a 4-course meal in recognition of our Patron Saint with Twinning Members. I know that some doubt if he had much to do with England but when have we let such thoughts get in the way of a celebration!

We hope that you can join us on this occasion to meet new friends and old ones too. The cost is a mere £22, terrific value for such a fine event.

Please contact Hilary Kirkby on 01303 260415 or Pat Bell on 01303 267972

## Kite Festival - Berck sur Mer | 6-14 April

Every year in March/April, Berck Sur Mer our twin town in France holds an international kite festival.

This colourful event has taken place for more than two decades and this year from 6th to 14th of April the town will be buzzing.

People from France as well as from all over the world will be flying kites to participate in this spectacular and spectators will see kites from every colour and shape and size.

Our intention was to take a coach for the final day but it has not been possible. However, if you get a chance to get to France and visit this extraordinary event.
